Official Statement on Current Weather Condition – Sri Lanka Tourism Development Authority

To all our valued travelers and visitors,

Sri Lanka warmly welcomes you to our island paradise. While certain regions may experience seasonal rainfall, the situation is being closely monitored by our national authorities.

We wish to reassure all tourists that:

- **Sri Lanka remains safe and open for travel and tourism.**
- **Major tourist destinations are operating as usual**, with hotels, transport services, and attractions continuing without disruption.
- **Comprehensive safety measures are in place**, with tourism partners working closely alongside local authorities to ensure your comfort and security.
- **Weather updates are provided through official channels**, enabling travelers to plan their journeys with confidence.
- If you have queries or are affected by the prevailing weather conditions and require any assistance, the **Sri Lanka Tourism Hotline – 1912 – is active 24 hours a day**. Support will be provided in coordination with the **Tourist Police, Disaster Management Centre, and other relevant authorities island-wide.**

Sri Lanka is a land of timeless beauty, and we look forward to welcoming you to experience our golden beaches, cultural heritage, vibrant wildlife, and warm hospitality.
